Which one would you choose: Studying abroad or studying in your own country? It's hard to decide which one is better to learn English. I think if you have money, time and opportunity the best option is to go abroad. This is of course not possible for everyone. If you prefer to stay in your country, then the most important thing to enhance your own language abilities is to speak only English in class and try to use English outside the class.

10. **The paragraph is mainly about - - - - .**

A) how difficult learning a foreign language is

B) learning English at school or abroad

C) difficulties of studying abroad

D) student's financial problems

E) opportunities of going abroad

11. **It is better to learn English abroad if - - - - .**

A) you have some native friends

B) schools are closed in summer

C) you find a good language course

D) the number of students is few in a class

E) you have opportunity, time and money

12. **Which one is false according to the paragraph?**

A) You should always speak English in class.

B) Teachers are not enough to teach a language.

C) It's a good idea to go abroad if you have the chance.

D) Talking to natives helps you learn the daily language.

E) There are good sides of learning English abroad.
